

A letter I sent to Ruby before Xmas
just came back to me. I had addressed
it to Farmington, Mass.
Dear Mum & Olive, & all,

May
1959

Hugs and kisses to you
all. Just think it is only 14
mos. before we'll be leaving
here for Maine and our families
how exciting! Kenneth just
had his 13th birthday
He had a party to remember.
In the morning his place was
piled with gifts from us and
all the kids. We gave him
a timepiece wrist watch, which
was the last to be opened. At noon we
had ice cream for dessert.

At night was the real party.
Aunt Mary Dewar used to
be a missionary in China.
So we had a Chinese Party.
Everyone came in costume
except Kenny & Frank, guests
of honor, who were American
missionaries.
