Prima Long Hotel

August 14, 1947

Dear Mother, Olive, Frances & Ruby

We had breakfast in the main dining room. Tommie & Kenzie ate well. Mom called the Marine Hospital and made a date for our yellow fever shots between 1 and 2:30 P.M. Then he called the baggage room at the station and found out that our baggage was there. It didn't take him long to get. I drove there and got it.

The next big task was to get the boys hair cut. Tommie did very well and the barber gave him quite a good hair cut.

Kenzie was fine and got an excellent hair cut.

We had our lunch in the coffee shop and then started for lower Manhattan and
